

AAYAN KHAN

Bengaluru 560097 | +91 9631840699 | khan01aayan@gmail.com | [LinkedIn](#) | [LeetCode](#) | [GitHub](#)

OBJECTIVE

Information Science undergraduate with strong foundations in Data Structures, Algorithms, and problem-solving. Actively seeking internship opportunities to apply programming skills and build scalable solutions. Focused on improving coding efficiency and gaining real-world development experience.

EDUCATION

Nitte Meenakshi Institute of Technology, Bengaluru

Sept 2024 – Sept 2028

B.E. in Information Science & Engineering , CGPA 8.78 / 10

Trident Public School, Muzaffarpur

Completed: 2023

Senior Secondary (Class XII) – CBSE, Percentage: 75.2%

North Point Children's School, Muzaffarpur

Completed: 2021

Senior Secondary (Class X) – ICSE, Percentage: 90%

SKILLS

Technical Skills:

- **Languages:** C++, Java, Python
- **Data Structures:** Arrays, Strings, Linked List, Stack, Queue, Trees, Graphs
- **Algorithms:** Searching, Sorting, Recursion, Backtracking, BFS, DFS, Dynamic Programming
- **Web Development:** HTML, CSS, JavaScript, React
- **Database:** SQL, MongoDB
- **Tools:** Git, GitHub, VS Code, Linux

PROJECTS

AI Expense Analyzer

- Developed a web-based application for tracking and analyzing personal expenses.
- Implemented features for recording expenses and organizing spending information for easier analysis.
- Built an interactive user interface to present expense data clearly and improve usability.
- Used Git and GitHub for version control and project management.

Personal Portfolio Website

- Designed and developed a responsive personal portfolio website to showcase projects, technical skills, certifications, and achievements.
- Implemented a contact form integrated with EmailJS to receive messages from visitors.
- Deployed the portfolio using Vercel and managed the source code through Git and GitHub.
- Added dedicated sections for projects, skills, certifications, and professional information.

ACHIEVEMENTS

Solved 250+ problems on LeetCode focusing on Data Structures & Algorithms.
